

NO BELLS. NO WHISTLES. JUST THE BEST-VALUE,
BEST-SELLING AUTOMATIC ATV 4X4 EVER*

SPORTSMAN® 500 H.O.
SPORTSMAN® 800 E.F.I.

◀ **ON-DEMAND TRUE ALL-WHEEL DRIVE (AWD)**

The Polaris exclusive, fastest-responding AWD automatically engages all four wheels when you need more forward traction and reverts back to 2WD when you don't. Other ATVs use limited-slip, engaging only three wheels.

◀ **LEGENDARY SMOOTH INDEPENDENT REAR SUSPENSION (IRS)**

The Sportsman was the world's first ATV with IRS, and it's one of the cornerstones that made the machine as popular as it is today. The rock-solid, proven design with 24.1 cm of long-travel IRS minimises body roll and keeps the ride smooth.

◀ **FRONT STORAGE**

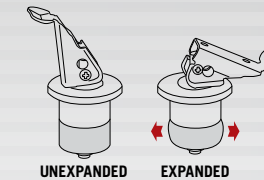

Most integrated storage of any ATV. The large capacity (27.6-litres) lets you carry loads of gear and still have access to it, even with items tied to the deck.

SPORTSMAN 800 FEATURES

With its towing capacity (680.4 kg.) and high ground clearance (28.6 cm), the Sportsman 800 delivers the kind of performance that riders have come to expect.

◀ **AWARDED BEST IN CLASS**

The Sportsman 800 and 500 H.O. were both awarded Best in Class by *All-Terrain Vehicle* magazine.
